Wright/Laird Audition Class with Heather Laird		Kansas City, MO
Actor's Workshop with Judson Vaughn		Kansas City, MO

SPECIAL SKILLS

I have a great grasp on many different accents and dialects, have a natural 'up and happy' voice with great energy, am a whiz on a teleprompter, have a knack for working with animals and kids, and am not afraid to make goofy faces to get a character's point across. I am also up for trying anything once—as long as it's not bungee jumping.
